

Early Years Mental Maths Toolkit - Part 3

Name: _____

Target	Child	Parent	Teacher
I can count out loud from 0 to 50			
I can count out loud from any given number to 50 e.g. 27 to 50			
Know which numbers can be taken away from 1 & 2			
Know which numbers can be taken away from 3 & 4			
Know which numbers can be taken away from 5			
Can rapidly recall the answer for subtraction facts of 1 (1-1, 1-0)			
Can rapidly recall the answer for subtraction facts of 2 (2-2, 2-1, 2-0)			
Can rapidly recall the answer for subtraction facts of 3 (3-3, 3-2, 3-1, 3-0)			
Can rapidly recall the answer for subtraction facts of 4 (4-4, 4-3, 4-2, 4-1, 4-0)			
Can rapidly recall the answer for subtraction facts of 5 (5-5, 5-4, 5-3, 5-2, 5-1, 5-0)			
Explore sharing quantities between 2, 3, 4 and 5 by distributing objects one by one and checking if everyone has the same			

Once you have mastered one of the targets tick the box next to it. Then get your adult to test you and they can tick and date it too, to show they agree. When you have finished please return to school for your teacher to check. Thank you.
