

Varying the approach – some ideas to practise phonemes and key words

- Phonic flash cards
- Lay flash cards out and select letters to make a given CVC word
- Fastest finger first
- Say the sound, say the picture
- Write the words on cards and lay them out – take turns to find a given word
- Use a page in a book – find all the sounds/words that say
- Make duplicate set of words on different colour – play matching pairs
- Over lay word cards with magnetic letters to blend the CVC word
- Make silly and real sentences using the word cards
- Sound or key word bingo
- Use magnetic letters to make words
