## Heat wave!

What a week! I've really enjoyed seeing Year R proudly showing off their subtraction skills in maths – they've worked so hard and it's wonderful to see their confidence growing. Despite the recent heatwave, all of the children have coped brilliantly and shown such resilience, which has been fantastic to see. A big thank you must also go to our dedicated staff, who have kept everything running so smoothly in challenging conditions. The afternoons have had a slightly more relaxed feel, with children enjoying lighter activities such as water play and crafts, which have brought plenty of smiles and laughter. It has been especially heartwarming to see the strong sense of community, with children from across the school coming together in our air-conditioned rooms and showing great teamwork and kindness towards one another. **Next week, children should return to school wearing their normal school uniform. Please ensure full PE kits are returned on Monday ready for the week ahead.** Wishing everyone a safe and cool weekend!

Mrs Chapman

- Respect • Kindness • Honesty • Resilience • Courage • Gratitude

## What have we been learning this week?

**Safeguarding Update:** As the warmer weather continues, please remember the importance of water safety. Children should always be closely supervised near water, whether at the beach, a swimming pool, a river or even a garden paddling pool. Please see the links below for further advice and guidance.
