House Burning & Harvest Donations

It's been a blazing week at Fleet Infant School! We had an absolute blast burning down our houses as part of our Great Fire of London learning. Watching the fire spread really brought the children's history learning to life; helping the children use their senses and imagination to experience what it might have been like in Pudding Lane all those years ago. Their excitement, curiosity and enthusiasm were truly infectious! We also loved spending time chatting with our youngest children about all the things they enjoy most about being part of our school. To round off the week, we were delighted to welcome your generous Harvest donations for the Fleet Lions. We enjoyed a special assembly this afternoon celebrating the importance of giving, sharing and helping others, with some singing to make the occasion even more memorable. Thank you, as always, for your kindness and support.

Flu Immunisations

Flu immunisations will be taking place at school on Monday 19th October. If you have not already done so, please provide consent for your child [HERE](#) School code is: SH116003

Have a wonderful weekend.

Safeguarding Update: Please can we ask parents to keep a close eye on their children at the start of the day when our site is extremely busy. We ask that you keep your child (and siblings) waiting quietly beside you in the mornings so that they are calm and ready to go into class. We also ask that children do not use the Trim Trail at the front of the school before the start of the day, as it is only available for use during supervised school hours.

Next week at school
